Welcome to the Mexico where Thru His Mercy, Inc. serves alongside Mexican pastors and their churches sharing the Gospel of Jesus Christ and discipling others.

We provide a tea party where women are presented the opportunity to be set free through the grace of God's love and the blood of Jesus Christ. Later, we coordinate with the pastor a time for a spiritual development that is a discipleship bible study with the goal of encouraging and developing leaders.

God's Word transforming lives through a Tea Party

We give bibles to those who do not have one. Then I briefly explain how to use the index (right) and listen to them read (below).

Tea Parties:

Evangelism through a tea party.

These tea parties are most effective in sharing God's love, grace, protection and forgiveness. During these parties, the women (now men) allow the daily challenges to drift away, the walls to be lowered and God to move in them. I just love it!

Upon entry, the ladies (men) receive a ticket, pencil and 10 cards with instructions to write the same prayer on each card. The purpose of this activity is to pray for each other and experience the power of prayer in agreement. A follow up party allows opportunity to share the praises.

Participation is expected during the party. I tell stories, ask questions, and ask someone to read the scripture. This encourages interaction resulting in fun and prizes.

I toss light weight gifts into the air sparking their attention. Later, this is used for the altar call. I tell them just as they are reaching for the small gifts and shouting over here, they should be reaching and shouting to God. If they do not have a relationship with Jesus Christ, then they are invited to the front for prayer. We have new salvations every tea party. Hallelujah! :)

Welcoming new salvations into God's Kingdom.
